

## **WAREHOUSE LIEN**

Customer acknowledges and agrees that all cargo, merchandise, and property delivered to World Class Solutions LLC for storage, handling, transportation, consolidation, distribution, customs processing, FTZ operations, bonded warehouse operations, or any related service shall be subject to a continuing warehouseman's lien and security interest to the fullest extent permitted under applicable Florida law.

World Class Solutions LLC shall have a lien upon any and all goods in its possession, custody, or control for all unpaid charges, including but not limited to storage, handling, transportation, labor, customs services, duties, taxes, advances, administrative fees, legal fees, collection costs, and any other amounts due.

If any invoice remains unpaid for more than ninety (90) days from the invoice due date, World Class Solutions LLC may, after providing any notice required by applicable law, enforce its lien rights, including the sale, auction, disposal, or other commercially reasonable disposition of the goods in order to recover all amounts owed, together with accrued storage charges, interest, attorney's fees, and costs of enforcement.

Customer expressly waives any claim against World Class Solutions LLC arising from the lawful enforcement of such lien rights and agrees that any surplus proceeds remaining after satisfaction of all obligations shall be handled in accordance with applicable law.
